Dear GLF Members, Family and Friends,

You are now able to view the new version of the Golden Lotus Foundation website on www.GoldenLotusFoundation.org. This current design is the past three months working of Big Tuna Web, a social media web design firm in Winfield, IL. The revised website aims to accomplish three important goals: 1) Increase visits to the Golden Lotus Foundation website. 2) Increase donations using the easy donation tabs. And, 3) Get the information to you in a timely manner. The website is formatted to be viewed clearly using all smart devices. To be relevant, improvement and change is necessary, and so is your feedback for us to grow with you.

Another important implementation by the Board of Directors has been to trademark the lotus logo and word marks, so you will see TM used in future writings. This is to prepare Golden Lotus Foundation to pursue merchandising and services to generate cash flow. All of these efforts are to position Golden Lotus Foundation to accomplish the goals set forth, and be able to leave our legacies for the next generation. We appreciate having you along on this journey!

Follow-Up: Many thanks to everyone who participated in the Friday June 17, 2016 fundraising at Panda Express, Powers & Constitution location. A check for \$44.69 was received. Stay tuned for announcement of the next Panda Express fundraising event.

Here are happenings you do not want to miss. Please share the information with others.
